The Ninth Annual

Libraries in Data Science: Addressing Gaps and Bridges

Thursday, April 6th 2017, Faculty Conference Room, University of Massachusetts Medical School, Worcester, MA

CALL FOR PROPOSALS

Presentations | Interactive Workshops | Posters

Share how you are involved in collaborations with a research group, department, center, or lab on or off your respective academic campus

We are seeking proposals on topics including but not limited to:

Data Repositories: developing data repositories; advising researchers on discipline-specific repositories
Education/Training: data information literacy
Funding Agencies: writing data management plan templates for NIH
Institutional Models: solo data librarian vs center/team

Please submit your abstract to the symposium website:
